

GUDJA CRITERIUMS – BIKE FESTIVAL

It is with great pleasure to announce The Gudja Criterium – Bike Festival which will happen on Sunday 18th February 2018 in the picturesque village of Gudja.

Team Greens has teamed up with the Gudja Local Council to provide an exciting day of racing action in the heart of Gudja.

We are expecting some great support from the locals and the establishments in the main square. Proceeds from this event will go to Alive Charity Foundation who will also be assisting us in the organisation.

Races are open to all MCF registered members.
A separate children's race/ride will also take place for local children
Racing will be in the form of criterium in a closed to traffic circuit.
Race duration will be determined on the day. It is imperative that everyone goes to the start line on the designated time.

Prizes will be given during two awards ceremonies following the children's races and the adult races.

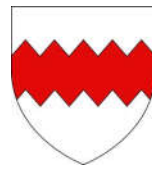

Ambulance will be in attendance
Riders may make use of the bars and clubs in the main square to buy refreshments and use of sanitary facilities.

The square will be closed for cars and only team cars will be allowed in to set up their team tent.

Fees are as follows:
U12 & U15 = €5.0
All other categories €10

Registrations to reach us by Thursday 15th February 2018
Collection of fees on race day through your club official.

GUDJA CRITERIUMS – BIKE FESTIVAL
